

TESTIMONIAL AFTER PROJECT COMPLETION

To : Automate Technology Sdn Bhd

Attention: Mr Billy Goh

We wrote this mean to thank you for the quality of service provided by your company.

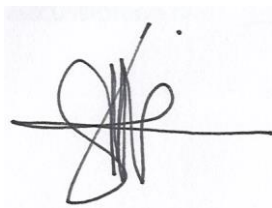

As during the project, all progress was going well, and smooth without any interruption.

Which mean your company were doing a great job, from all aspect.

Hope that will have chance can work together at coming future and we will recommend your services to other companies or business relation partners, in case there required the same services provided as your company did.

Appreciate a lot for your help and support all the time, looking forward we may work together again very soon.

Best Regards,
